

New Product

Carizzma Colors[®]
Waterborne “ZD” Dye Bases
& HB009 Carizzma Mixing Clear

Number: RMBUL2238-ES

Date: January, 2012

R-M[®] Brand Management is pleased to introduce the new Carizzma Waterborne “ZD” Dye Bases and the HB009 Carizzma Mixing Clear.

Carizzma is stronger than most other dyes with an attitude all its own. The clean, intense colors will bring your design ideas to vivid life. We’ve been doing this for custom painters all around the country on cars, trucks, boats and motorcycles for a dynamite finish that will be noticed and remembered.

Based on R-M’s Onyx HD[™] waterborne refinish paints, Carizzma enables you to access the entire world of automotive custom colors with just four effect powders and seven “ZD” Dye bases. Learn more about Carizzma Colors at www.carizzmacolor.com.
